#### **Cautions:**

1. When making application, make sure that you select a correct level of study you aspire to study (Bachelor/Diploma/Certificate). Furthermore, make sure you select a correct entry category. In case you make a mistake in choosing a level/entry category please contact us through our phone numbers provided on the admission page.
2. You cannot make multiple payments using the same GEPG code even when you attempt more than once to pay for the same application using the same GEPG code. Please wait for response from the system or contact us when there appears to be delays in recognising payments made instead of attempting to make multiple payments for the same application.
